

Happy 50th Anniversary

Mayekawa (Mycom) Canada

As Premier of British Columbia, I am pleased to congratulate Mayekawa (Mycom) Canada as it celebrates its 50th anniversary.

Established in Vancouver in 1975, Mycom Canada has shown visionary leadership, outstanding craftsmanship and an unwavering commitment to quality.

From installing the world's first screw type refrigeration compressor, to delivering large district cooling systems, Mycom continues to leave an indelible mark in its field.

Congratulations on reaching this milestone!
